SHARDA UNIVERSITY

Experience the joy of being a part of India's truly global university

Sharda University over the years has become one of the leading centres of education, research and innovation in the Delhi NCR region. Established through an act of the State Legislature of Uttar Pradesh (14 of 2009), Sharda University offers over **135+ UGC recognised programmes** in various disciplines. Sharda University was recently been **accredited with an A+ by NAAC** which puts it among the 5% of select higher education institutions in India.

It is the only global University in India that has seen **students from 95+ countries** experience world-class facilities, and has **300+ global academic partnerships**. Sharda University offers a truly international learning environment & produces achievers across the globe. That's why it is said,

“The
World is Here,
here are You?”

WHY STUDY AT SHARDA UNIVERSITY

TOP GLOBAL FACULTY

- Learn from over 1100+ teaching faculty with global experience.
- Find new ideas through expert talk by Nobel Laureates.
- Experience learning from faculty sourced from renowned Universities of USA, UK, Greece, Singapore, Ireland, Germany, Italy, China, Finland, etc.
- Discover quality teaching through faculty certified by National Skills Development Corporation (NSDC)

GLOBAL OUTREACH

- Get a truly global experience through tie-ups with 300+ global Universities.
- Interact with students from across the globe.
- Pursue joint research projects with Universities from across the globe.
- Benefit from credit transfer-degree programmes, semester exchange programmes (zero tuition fee), short-term programmes, summer programmes, cultural experience programmes and internship programmes

TAKING STARTUPS TO THE NEXT LEVEL

- Sharda Launchpad is approved as a business incubator by MSME
- Collaboration with StartUp Incubation and Innovation Centre, IIT Kanpur

FOCUS ON PERSONALITY TRANSFORMATION

- Discover a new you through various personality grooming and enhancement programmes.
- Sharda Skills provides coaching to students who want to prepare for various competitive exams like UPSC, CAT etc. within the campus after University hours/weekends.
- Learn to ace placement interview through various mock interview sessions.

FULFILLING DREAMS THROUGH SCHOLARSHIPS

- Upto 50% Scholarship to realise career dreams.
- 7515 students studying with Scholarship and Freeship worth 44.5 Million USD in 2023-24.
- Fee waiver Benefit for economically weaker students to help them realise their career dreams.

WORLD-CLASS INFRASTRUCTURE

- Explore a myriad of opportunities at a campus spread over 63 acres.
- Experiment at Hi-tech labs and research centres.
- Explore a fully WI-FI campus, AC classrooms, AV aids, and numerous indoor and outdoor sports facilities.
- Eat healthy at many on-campus cafeterias.
- Experience home away from home while staying at on-campus residences.
- 1600+ Bedded super-speciality teaching and research hospital

PRESTIGIOUS RECOGNITIONS & ACCREDITATIONS

Continuing its legacy as a world-class institution, Sharda University has earned Membership status with ASIC, UK for its commendable areas of operation.

SHARDA UNIVERSITY UZBEKISTAN

*The 1st independent International private university in Uzbekistan
approved under special Presidential decree*

Sharda University Uzbekistan has been established in line with Sharda's commitment to offer world class education to everyone. It is the first independent private university in Uzbekistan that is being envisioned to become the gateway for students from Eurasia. Students of Sharda University Uzbekistan share the legacy of Sharda, India's truly global university with 27% students from 95+ countries; which has over the years become one of the leading centres of education, research and innovation in Asia. In the next few years, the University will become the epicentre of future-focused education in various disciplines including Engineering, Management, Medical, Dental, Tourism and Hospitality, Law, Architecture, Design, Journalism & Mass Communication, Computer Applications, Basic Sciences, Nursing, Biotechnology, Food & Technology, Pharmacy, Physiotherapy, Paramedical, Education, Languages, Animation, Agriculture, Visual Arts and Stem Cell & Cancer Biology.

SHARDA UNIVERSITY

AGRA

Sharda University Agra carries forward the rich legacy of Sharda Group having its campuses in Mathura, Greater Noida & Uzbekistan. It is envisioned to become one of the leading centres of education, research and innovation.

Established under the Uttar Pradesh Private Universities Act, 2019 (U.P. Act no. 12 of 2019), Sharda University Agra offers 21+ UGC recognized programmes in various disciplines.

The Sharda University Agra occupies a central location on the NH-19, Agra-Delhi Highway, which is well connected from Delhi (NCR) to other parts of the country through Air, Rail and Road. The University is poised to cater some of the world's brightest minds who shall marshal the most innovative tools, techniques, technology and skills to address fundamental scientific questions and pressing societal challenges. University's extraordinary faculty and students shall be expanding their understanding of the universe and inventing the technologies of the future, with research interests from quantum science and engineering to bioinformatics and the nature of life itself, from human behavior and economics to energy and sustainability.

WHY INDIA?

India is an amalgamation of cultural diversity, innovation, and leadership. According to World Economy Ranking, India has attained the 5th largest economy in 2022. Some of the most prominent scientists, businessmen and CEOs are from India. This is because of the holistic education system that balances theory and practical learning, thus elevating the student to the global standard. India has the largest democracy that embraces people across all countries and ethnicities.

- Fastest growing economy by the World Bank, IMF & CSO.
- Second fastest growing service sector in the world by CII & KPMG.
- India is the 7th largest country in the world and the largest democracy.
- The second largest pool of engineers and scientists are from India.
- India has the largest education system with top-ranking Universities.
- A multidimensional Education system with a perfect blend of theoretical & practical learning that includes innovative classes, industrial visits, seminars and alumni meets to keep up with the latest trends in the industry.
- India is the second largest English-speaking country in the world, enabling worldwide communication.
- A land where diversity meets culture, cuisine, festivals, exotic locations, languages and people from different backgrounds.
- Affordable cost of living, The cost of education in India is lower compared to other countries such as USA, Australia, and UK.
- Various historical inventions have been discovered and practiced in India. From the invention of zero, fiber optics, and architecture to games such as Chess.
- Yoga, which is one the most widely accepted practices in the world, originated in India.

29+ YEARS OF ILLUSTRIOUS LEGACY

Established in 1995, Sharda Corporation is a multi-million-dollar conglomerate which is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, StartUps, Engineering Equipment, Construction, Biotechnology, Hospitality and Skill Development. The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and new age IT solutions will set new benchmarks.

With five campuses and 40 offices spread across 300 acres, Sharda Corporation is proud to shape the dreams of 26000+ students from 95+ countries. A journey that started with establishing North India's first engineering colleges in Anand & Mathura took a bigger shape with the setting up of Sharda University.

Campuses in Greater Noida & Agra, India and Andijan, Uzbekistan.

The 90,000+ flag bearers of Sharda across the globe are an apt reflection of an illustrious legacy to think beyond. The Group is touching the lives of 15 million people and has operations in India, Uzbekistan and plans to expand further to the other CIS countries and Africa.

1995

Established in 1995, the US \$ 500+ Million Sharda Group is focused on building a better world through business operations in diverse areas like Education, Healthcare, Information Technology, StartUps, Engineering Equipment, Construction, Biotechnology, Hospitality and Skill Development. The Group is proud to be one of the drivers of change in building a world where intellectual minds will thrive, everyone will have access to good health, edifices of excellence will define the skyline and new age IT solutions will set new benchmarks.

The Sharda Group comprises over 25 companies operating in seven business sectors: education, information technology, engineering equipment, construction, hospitality, healthcare, biotechnology and agro research. The Group has operations in India and Uzbekistan and plans to expand further to the other CIS countries and Africa.

1996

The Sharda Group of Institutions was established in 1996 to bring world-class education to the youth who saw tremendous opportunities arising out of liberalisation. The first Engineering College, Hindustan College of Science and Technology was established on the Agra-Delhi Highway. The huge demand for seats by the students led to the expansion of the College into its second division by the name Hindustan Institute of Management and Computer Studies (HIMCS) in 1997. 1998 was the hat-trick year as SGI came up with a new College named Anand Engineering College, AEC, Agra.

2005

Established in 2005, Rishav Shelters has established itself as a world-class contractor, land developer and planner with several notable landmarks in construction including institutional buildings, hostels and offices. Rishav Shelters operates as a EPC Organization (Engineering, Procurement and Construction) relating to infrastructure projects and systems for construction work.

2009

Established in 2009, Sharda University has over the years become one of the leading centres of education, research and innovation in India with global recognitions and accreditations. The University prides in being the melting pot of various cultures from across the globe. The University has 14 Schools in Engineering, Management, Basic Science, Media, Law, Agriculture, Allied Health, Pharmacy, Medical, Dental, Architecture, Education, Humanities and Nursing.

2013

Established in 2013, Sharda Launchpad, the StartUp wing of Sharda University has over the last five years been serving as the springboard for students and budding entrepreneurs who are living the dream to make India self-reliant. Sharda Launchpad is the Business Incubator (BI) of MSME and has collaboration with IIT Kanpur for sharing of resources.

2016

Established in 2016, Sharda Tech is the IT wing of the Sharda Group. The company aspires to revolutionize the digital sector through cutting edge products and serves prestigious national and international brands. Sharda Tech delivers IT Services, Peoplesoft, Digital Marketing, Education and Healthcare solutions.

2019

Established in 2019, Sharda University Uzbekistan is the first independent private university in Fergana valley that is being envisioned to become the gateway for students from Eurasia.

2021

Established in 2021, Sharda World School is an initiative of the Sharda Group with interests in diverse areas. Sharda World school is set to emerge as a centre of excellence in Education with focus on continuous development of mind, body and soul, nurturing compassionate and creative global citizens.

2024

ShardaCare
The Healthcity

Embracing the concept of a smart hospital, Sharda Care - The Healthcity is envisioned to revolutionize healthcare delivery through digitalization and automation. Sharda Care - The Healthcity, a 600-beds facility is poised to transform healthcare with pioneering equipment and technology.

WORLD CLASS CAMPUS FACILITIES

Sharda University campus combines modern teaching and study spaces on 63 acres of landscaped greenery. At Sharda, you can study in a clean, healthy environment that combines the benefits of an active global lifestyle with the resources of an international University.

When you want to work together & make new friends you'll find yourself in a welcoming community filled with people from over 95+ countries. Our campus includes academics support, accommodation, sports, culture & entertainment-everything you need.

MDP MANAGEMENT DEVELOPMENT PROGRAM

(Capacity Building Programs)

The University has a management development program (capacity building programs) which is under the direction of the executive programs. Management Development Program (MDP) is carried out based on the latest management technologies and practices at the Sharda campus for Businesses, industry professionals and officials of different committees.

Sharda University is in collaboration with governments of several countries for capacity building programs. The university scholarship students from different countries such as: Burkina Faso, Ivory Coast, Ethiopia, Rwanda, Thailand, Gambia, Afghanistan, Vietnam, Bhutan, Sri Lanka, Malawi and Nigeria.

SHARDA UNIVERSITY INTEGRATES

A.I.

WITH THE POWER OF HUMAN INTELLIGENCE

- *Future focus on Semiconductor Research & Development aligning with India's tech advancements.*
- *Support for AI-based startups through Sharda Launchpad, the on-campus innovation incubator.*
- *Industry tie-up with 'Ultipa' to explore the opportunities for internship & placement.*
- *AI for all programmes: Technical and Non-Technical & Cutting-edge research centres in AI, Robotics, & Healthcare.*
- *Global tie-ups with the University of Maryland, USA, & Universidad Autonoma de Tamaulipas, Mexico to train students in new & emerging areas of AI.*
- *Graduates placed in leading companies like Citi Bank, Barclays, FedEx, Ernst & Young, Tech Mahindra and more.*

SUPER COMPUTER FOR NEW RESEARCH

SHARDA UNIVERSITY PROUDLY
OWNS SUPER COMPUTER FOR
RESEARCH IN A.I. & EMERGING
TECHNOLOGIES

Sharda University has established Sharda NextGen Cyber & Quantum Systems Facility with an **nVIDIA DGX H100 system**, fourth generation of the most powerful supercomputer for machine learning and artificial intelligence. In the NCR region Sharda University is the first educational institution and very few Universities of India to acquire this top of the line supercomputing system for AI model building, training & inferencing. Apart from AI, this system can be utilized for other High Performance Computing tasks such as Molecular Dynamics simulations for bioinformatics & drug discovery and Quantum Computing simulations among others. Since Sharda University has two hospitals with state of the art equipment, & data from these hospitals is being used to develop AI models for diagnostic purposes.

One of the very few universities in India to have DGX H100 Super Computer for new age research. The gold standard for:

- A.I. models simulation
- Bio-medical and drug discoveries
- Scientific simulations
- Genomics & Proteomics Studies
- Quantum Computing simulation projects

Multi-disciplinary Research Centres:

- Sharda NextGen Cyber & Quantum Systems Facility
- Centre for Artificial Intelligence in Medicine, Imaging & Forensics
- Centre for Cyber Security and Cryptology
- Centre for Solar Cells and Renewable Energy
- Central Instrumentation Facility DST-FIST Life Sciences

AI-ML, Big-Data Processing & High Performance Computing Landscape at Sharda University:

- Medical Imaging (MRI, CT, PET, Microscopy)
- Brain functional MRI & Fiber Tractography
- Speech Forensics and Musical Acoustics
- Quantum Computing and Quantum Machine Learning
- Large Language Model Fine Tuning & Training
- Bioinformatics (Protein Docking, simulations & Phylogenetic Analysis)
- Molecular Dynamics & Density Functional Theory AI models for Space & Solar Physics
- Knowledge Graphs/Semantic Web
- Geospatial Information Systems (GIS)

Fire Suppression Unit

PATHWAY TO FOREIGN DEGREES

CREDIT TRANSFER PROGRAM

From Sharda University to Partner Universities-Pathway to Foreign Degrees

Sharda University runs credit transfer agreements with several high-ranked international universities in the UK USA Australia France Cyprus Israel and Switzerland. Interested students can start their studies in Sharda University and transfer to the partner university in Year 1 or in Year 2 or in Year 3. Credit transfer students graduate with the degree of the partner university.

Credit transfer from Partner University to Sharda University

Students from other universities can transfer their credits from their home university to Sharda University. The student is required to pay tuition fees accommodation/food fees and registration and any other applicable fees. The student will graduate with a the degree from Sharda University.

SEMESTER EXCHANGE PROGRAM @ZERO TUITION FEE*

(DURATION: ONE SEMESTER)

In the semester exchange program Sharda University students and students from partner universities across the globe can transfer for one semester to the collaborating institution and vice versa. Sharda University students pay zero tuition fees in the partner universities. Credits of courses passed in the semester exchange will be transferred from Sharda University and vice versa after the courses have been mapped & approved in advance by both Sharda University & the partner universities.

INTERNSHIPS (DURATION: 1 TO 2 MONTHS)

In today's challenging economy, gainful internship counts a lot. Sharda's Internship abroad program provides a tremendous opportunity to gain invaluable work experience during your college break. During your international internship you will be placed in a field relevant to your studies. There you will have the chance to participate in the day-to-day work environment and use your abilities in a real-world setting. You can choose from 300+ partner universities for multi-disciplinary internships wherever available during that particular slot.

Benefits of Internship:

- Opportunity to apply classroom theory to real-world work experience
- Specific project/responsibilities and opportunities to learn about an organization's operations
- Supervisory support to the student in the pursuit of learning goals
- Fast track access to talent pipeline
- Learn a new skill or practice a skill you recently learned
- Experience a new sector of industry or work setting
- Explore an interesting career path

SHARDA LAUNCHPAD FEDERATION

Sharda Launchpad Federation a sec 8 entity established in year 2013 promoted by Sharda University aims to support the shared vision of Government of India and University towards building a bit more vibrant culture of innovation and entrepreneurship for campus, city and nation.

With a house of thousands of learners, researchers, academicians and practitioners of several disciplines of learning, Sharda Launchpad Federation as a dedicated professional platform enables potential individuals, teams and early stage start-ups to access need based resources, domain expertise, Technology and business mentorship, vast entrepreneurial stakeholders network and a dynamic ecosystem to advance the entrepreneurial journey and build scalable market ready sustainable ventures of future.

SLPF as an entrepreneurial ecosystem is a dedicated facility with approx. 7000 sq.ft of area, contemporary working space with necessary technology infrastructure led by a dedicated full time leadership team to consistently advance the purpose of the incubator and design platforms to encourage, mentor and support promising ideas/early stage start-ups. The incubator as an entrepreneurial ecosystem, is working towards expanding to sector agonistic support system though prime focus areas of start up support are-Agriculture, Healthcare, Drones, EV's, Block Chain, IoT Application and SDG aligned innovations.

Ecosystem partners and its associates

The incubator is widely connected to vast pool of internal and external ecosystems, organisations, Experts, Mentors, Investors and Funds to accelerate the start-up success.
